

COVID 19 SPECIAL: Our health measures for your safety

TEAM TRAINING

In order to guarantee your safety and that of our team, we have all been trained in barrier gestures, health rules and government measures.

A COVID 19 referent has been appointed.

ARRIVAL AND RECEPTION

Hydroalcoholic gel is available at the entrance of the establishment.

Social distancing is materialized in the reception hall.

All contact points (room card, bank terminal, furniture, etc.) are disinfected regularly using virucidal products.

Your contact details (phone and email address) will be requested.

YOUR ROOM

For your safety, some decorative and information elements have been removed.

The elements of the courtesy trays are individually bagged and sealed.

We will enter in your room during your stay every 2 days. We suggest that you change your towels, bins and give you additional hospitality products on request.

Your room and your bathroom have been cleaned in accordance with the protocols of the Ministry of Health (ventilation time, virucidal products, personal protective equipment for the team).

FOOD & BEVERAGE

For your comfort and serenity, we offer a new service: breakfast, lunch and dinner in your room, however if you prefer we will welcome you with pleasure in the dining room with the mask.

The restaurant La Brasserie is open from Monday to Sunday until 10:30 PM, to guarantee your safety our menu is now in contactless form on your phone using a QR Code.

THE POOL AND THE FITNESS AREA

We are at your disposal to provide you with information on access conditions and timetables.

SUSPENDED OR RESTRICTED SERVICES

For the moment, we can no longer keep your belongings (forgotten items, suitcases, ...).

The SPA, the gourmet restaurant 1039, the So Night Lounge Piano Bar and the One&Only Night Club are closed.

DEPARTURE

On your request, your invoice will be sent to you by email.
